Lumumba Into Custody On Orders of Mobutu

LEOPOLDVILLE, the Congo (AP)—Col. Joseph Mobutu announced today that his soldiers arrested Patrice Lumumba and had threatened to shoot the ex-premier. Mobutu said he sent strict orders that Lumumba was not to be harmed.

Relaxed and smiling, the Congo army leader received reporters at his home to tell about the capture. Mobutu said a plane is enroute to bring Lumumba back here from Port Francqui, where he was arrested.

WAFB Nurse Dies as Train Smashes Car

Lt. Doris E. Tolar, 30, Is Victim In Wreck Near Windsor

Lt. Doris E. Tolar, 30, a nurse at the Whiteman Air Force Base hospital, was instantly killed about 3:03 p.m. Thursday when her car was struck by a west bound Rock Island freight train, five miles northwest of Windsor. Lt. Tolar was alone in her car.

According to reports, Lt. Tolar was driving south enroute to Windsor in a 1960 Chevrolet sedan, when the accident occurred. It was believed she saw the approaching train because of skid marks on the blacktop pavement which were about 78 feet in length from the starting point to the crossing.

The big diesel engine struck the left door of the car where Lt. Tolar was sitting and rolled and pushed the car about 83 feet down the right-of-way where it left the rails and went down an embankment, landing on its wheels and facing west. The engine of the automobile was thrown some distance from the car, and the vehicle was demolished.

Engineer Chester Vernon, Eldon, reportedly told State Highway Patrol Trooper Conrad Henley of Windsor that he saw the approaching car and sounded the horn on the diesel. When he saw the car apparently slowing down he immediately applied his emergency brakes. It was indicated that if had Lt. Tolar not applied her brakes it was likely she could have made the crossing and avoided the accident.

When the 14-car freight came to a stop the caboose was opposite where the car had landed. Conductor Fred A. Gump and rear end brakeman Ferrell Coffman, both of Eldon, left the caboose and hurried to the car. They reported Lt. Tolar was dead when they reached her.

Sheriff Bill Fortney of Johnson county went to the scene and conducted an investigation. Coroner Kelly Rawlins of Johnson county, was ill and acting as deputy coroner. Sheriff Fortney released the body to authorities from the Whiteman AFB who accompanied a base hospital ambulance to the scene.

Lt. Tolar's watched stopped at 3:03 p.m. setting the time for the accident.

Engineer Vernon, it was reported, remarked it was his second (Please turn to page 5 column 7)

Testing Store's Shoplifting Defense

TORONTO, Ont. (AP)—With the Christmas season approaching, John Drane is one of the busiest men in town. He is training shoplifters.

Drane is general manager of Retail Sales Audit Systems, Ltd., which helps retailers cut their losses because of shoplifting and inefficiency.

When losses from shoplifting are running high he calls for volunteers from his staff, trains them and sends them to the store to test its defenses.

MEMBERS of the Salvation Army board gathered at the tree of lights which will bring funds to provide Christmas for Sedalia families who otherwise would not have Christmas. The group, left to right are: Mrs. Marjorie Garanson, Captain Marjorie Weber, George H. Scruton, W. A. Smith, Henry Salveter, A. H. Wilks, Mayor Abe Silverman, R. A. Malone, Joe Allen, L. A. Pharris and Captain Doris Jones. The first light was turned on by Mayor Silverman and other members of the board followed, each putting ten dollars in the Salvation Army Christmas kettle, and then turning on a light. A light is turned on for each ten dollars placed in the kettle during the Christmas season. There were 12 lights still to be turned on.

Protest Expected from Cuba On Shower from US Rocket

HAVANA, Cuba (AP)—Bitter anti-American hostility in the government-controlled press and radio suggested today that a heated protest is being planned on a shower of U. S. space rocket fragments that landed on Cuban soil. The case may reach the United Nations.

Prime Minister Fidel Castro's government has already charged the United States with aggression before the world organization. Debate on this is due during the current U. N. General Assembly session, and may be raised then.

Pieces of the rocket—some reportedly as heavy as 40 pounds—were taken to Oriente Province military headquarters at Palma Soriano for close examination by government officials.

Authorities at nearby Holguin reported the rocket pieces plummeted onto a hillside near the city about 3 p. m. Wednesday. This was about 10 minutes after a rocket was fired from Cape Canaveral, Fla., in an attempt to put two satellites in orbit. The rocket was blown up in flight by remote control after a malfunction developed.

Maybe

The weatherman promises to give us some improvement in weather for the weekend, however, he's let us down before.

Fair tonight becoming partly cloudy Saturday; warmer; low tonight 30-35; high Saturday in the 50s.

The temperature Friday was 28 at 7 a.m. and 48 at 1 p.m. Low Thursday night was 22.

The temperature one year ago today was, high 45, low 33; two years ago, high 47, low 32; three years ago, high 50, low 32.

Lake of Ozarks stage: 55.5 feet; 4.5 below full reservoir; down 1.

An Air Force spokesman in Washington said the serial numbers reported in the Cuban press make it likely that the fragments came from the defective rocket.

If Castro follows his usual pattern, the rocket pieces will be

brought to Havana for the prime minister to give grimly realistic emphasis to a televised diatribe against the United States. In the past he has used blown-up airplane fuselages, unexploded flares and shell fragments to dramatize his speeches.

In a graveside eulogy Thursday for his slain personal physician, Maj. Manuel Fajardo, Castro made no mention of the rocket. He did accuse Washington of being behind the nighttime shooting earlier this week in south central Cuba. Fajardo apparently was caught in the crossfire of his own militiamen while commanding them in pursuit of anti-Castro rebels.

CAIRO, Egypt (AP)—Reacting quickly to the Congo's diplomatic break with the United Arab Republic, President Gamal Abdel Nasser has seized all Belgian commercial properties in Egypt. The U.A.R. has accused Congo President Joseph Kasavubu of being a Belgian agent.

Nationalization orders were slapped on the Belgian-owned Cairo electric railways and the suburban Heliopolis Oasis Co. Thursday, only hours after Kasavubu severed relations with the U.A.R., whose ambassador in Leopoldville has supported deposed Premier Patrice Lumumba.

Sources in Brussels estimated the value of the seized Belgian assets at the equivalent of \$10 million. A number of small concerns also were seized, but the Belga News Agency and Sabena Airlines, with little property here except office and mechanical equipment, were left untouched.

Compensation to Heliopolis shareholders will take the form of state bonds payable over a 12-year period with 5 per cent interest. Value of the bonds will be based on the price of Heliopolis shares as they closed on the Cairo stock exchange Thursday.

The Heliopolis company is worth an estimated \$6 million. It now owns most of the swank Heliopolis residential area. When Baron Edouard Empan bought the barren desert land in 1905, he paid \$3 an acre. Today the area is a booming suburb with 80,000 inhabitants. A square yard is worth about \$58.

Local plans call for entries to be sponsored by interested business men, organizations, and religious groups. Sponsoring an entry in the Soap Box Derby here will cost each sponsor less than \$50. Of this amount, \$20 will be used, where necessary, by the entrant to buy materials to build his racer. This is the maximum amount authorized for the body of a racer.

"Only official Soap Box Derby wheels and axles are authorized in the race and a portion of the sponsor's money will go toward buying this equipment," Hill said. The remaining amount from all sponsors will be used to provide a starting ramp and pay expenses for the winner to attend the All-American in Akron.

"By establishing a set amount for sponsoring an entrant," the director said, "It won't be necessary to solicit funds from anyone later to see the program completed."

Sponsors may choose their own

entrant, or sponsor an interested boy who does not have a sponsor. Names of sponsors will be permitted on the vehicles.

Entry in the Sedalia Soap Box Derby, will not be limited to Sedalia boys only, according to the director. Boys from throughout the area will be eligible to enter, providing he has not entered a derby elsewhere during that year.

All racers must be boy built, but guidance from the parents is authorized. Racers must conform to all specifications set forth in the official rules. Rules will be available with approval of a franchise and will be provided all entrants when they register.

The Jaycees are hopeful that area residents will see the character building influence an event such as this has on youth and will give the program their full support.

Regarding the possibility of the franchise application being disapproved, Hill said: "Now is the

time to start this project. It's nine months before the next derby race. This should give boys lots of time to build a racer, if we get the franchise this year. If we do not get the franchise for 1961, we will have laid all the groundwork for 1962 and "educated" interested persons on what the Derby is all about and why the Jaycees are set on sponsoring one."

The director said he would be happy to discuss the program with interested groups, with hopes of their support and to give them complete details on the value of such a program to this community.

He also pointed out that derbies all over the country are known for the huge crowds they attract. Several sites near the city are being considered as possible places to hold a derby.

Soap Box Derbies are sponsored nationally by the Chevrolet Division of General Motors Corporation.

Approved, Hill said: "Now is the

Undermining Mothers' Boycott

Ten White Students Return to Classroom

NEW ORLEANS (AP)—Ten white students returned to classes at integrated William Frantz school today, sharply undermining the boycott backed by mothers of the area.

A small foreign car with two girls drove up in the sunny but near-freezing weather, catching reduced picket lines by surprise, apparently.

No one jeered until the two little girls mounted the school steps. Then the same make car sped up with five children, and the Rev. Lloyd Foreman arrived by car with his daughter, Pamela Lynn, and two boys.

The one Negro first-grade girl brought total attendance at William Frantz to at least 11.

Only three Negro girls attended the city's other integrated school McDonogh No. 19, at the normal opening hour.

Temperatures that dipped during the night into the low 30s cut the number of picketing mothers to about a dozen. One of these mothers told a reporter:

"You don't know how we are suffering. Our feet are freezing." The reporter said: "You can go home."

"You think we don't have to stay?" the woman asked. "We're working, too; we can't leave."

GOP Leader In Thick Of Ballot Battle

CHICAGO (AP)—The Republican national chairman headed into the thick of the Illinois post-election ballot battle today.

The chairman, Thruston B. Morton, who is directing his party's investigation of vote fraud charges, arranged a news conference at the quarters of the Midwest Volunteers for Nixon-Lodge. At City Hall, a recheck is being made of paper ballots cast in 906 precincts in Chicago and Cook County.

In the first 30 precincts re-examined President-elect John F. Kennedy had a net gain of 60 votes and Richard M. Nixon had a net gain of 43.

But Republican watchers said Nixon had a net gain of 163 votes in the 22 precincts examined. The GOP watchers disregarded ballots that were spoiled or improperly marked. The other counters didn't.

Kennedy, on the basis of reports from the state's 102 counties won the state's 27 electoral votes by a margin of 8,849 votes. But Gov. William G. Stratton has said the state's Democratic electors may not be certified by the Illinois Electoral Board if it receives substantial evidence of fraud in the election. Stratton is chairman of the Republican-controlled board.

The board is expected to meet in Springfield next week.

The check Thursday showed a net gain of 119 for State's Atty. Benjamin S. Adamowski, Republican who lost to Democrat Daniel Ward by 26,000 votes. Ward had a net loss of 35.

Third Top Level Job Announced

Govs. Ribicoff, Williams Named To Other Posts

WASHINGTON (AP)—President-elect John F. Kennedy today announced his selection of David E. Bell, professor of economics at Harvard, as his budget director.

Kennedy made the announcement from the doorway of his Georgetown home to shivering newsmen standing on the sidewalk in near freezing weather. Bell, 41, secretary of Harvard Littauer Center for Public Administration, stood by the president-elect's side as Kennedy made the announcement.

The first job for Bell, who served as an administrative assistant in the administration of President Harry S. Truman, will be to serve as liaison officer for the incoming Kennedy administration in discussions with Eisenhower's budget director, Maurice E. Stans.

After that he will have to start tailoring Eisenhower budget recommendations to the Kennedy pattern.

The post to which Kennedy appointed Bell is a key one in any administration.

The selection of Bell is the third top-level assignment made by Kennedy outside of his immediate White House staff.

He tabbed Gov. G. Mennen Williams of Michigan Thursday for assistant secretary of state for African affairs, and later named Connecticut's Gov. Abraham Ribicoff to be secretary of health, education and welfare.

Kennedy said Bell will start work next week, at the Budget Bureau "if this is agreeable to the President," (Eisenhower) but in any event will start his tasks at the beginning of the week.

The president-elect said Mike Feldman, a member of his Senate office staff, will serve as an assistant to Bell until the start of the Kennedy administration, then shift over to become a member of the White House staff.

Kennedy and Bell had never met until they conferred at length at the president-elect's home Wednesday evening. Bell had been highly recommended by Truman administration officials.

Nation's Traffic Deaths Are On Upward Trend

CHICAGO (AP)—The nation's traffic toll is on an upward trend. The National Safety Council reported Thursday that fatalities totaled 3,660 in October, the highest number for that month since 3,918 were recorded in October 1955.

October's deaths showed an increase of 7 per cent over the total for October of last year. The toll for the first 10 months this year rose to 31,120, a gain of 2 per cent over the corresponding period of 1959.

But the rate of fatalities in relation to miles traveled through the first 10 months of this year was at a record low of 5.3. That means 5.3 persons were killed for every 100 million miles of travel by motor vehicles.

Last in the Series Of Coloring Cartoons To Be Printed Sunday

The last cartoon in The Democrat - Capital Christmas Coloring Contest series will be published in Sunday's edition. There is no cartoon in today's edition.

The coloring contest entrants remind contest entrants to hold all the cartoons until the series of six have been colored before mailing them in for judging.

Marshall Man Named To Assessors Post

JEFFERSON CITY (AP)—The Missouri State Assessors Association elected Cecil Jacobi Jr. of Marshall Thursday as president.

Other officers named included C. M. Warden of Lexington, vice president; John C. Briscoe of New London, secretary-treasurer, and Oscar A. Kasten of Herculaneum, legislative committee chairman.

State Funds Alloted Area Hospitals

Warrensburg And Concordia Among Hospitals Listed

JEFFERSON CITY (AP)—A total of \$3,701,851 has been allotted to Missouri hospitals and nursing homes under the Hill-Burton act to help provide more convalescent beds and treatment facilities, Dr. H. M. Hardwicke reported today.

The acting director of the State Division of Public Health said local authorities must put up equal amounts to make use of the federal funds.

These allotments were approved by the hospital advisory council:

Johnson County Hospital in Warrensburg, for 65 new general beds, to replace the present Warrensburg Medical Center \$660,000.

Pemiscot County Hospital in Hayti, for 25 additional beds \$175,000.

Cass County Hospital in Harrisonville, for 50 new general beds, to replace the existing Memorial Hospital of Harrisonville \$450,000.

Putnam County Hospital in Unionville, for 30 new general hospital beds to replace the Monroe Hospital and Clinic \$250,000.

Ray County Memorial Hospital in Richmond for six additional beds \$25,000.

Wright Memorial Hospital in Trenton for 15 additional beds \$70,000.

Washington County Hospital in Potosi for a new 30-bed general hospital, \$275,000.

Tri-State Osteopathic Hospital in Newton County, for 40 general hospital beds to replace Joplin General Hospital \$325,000.

David B. Lichtenstein Foundation in St. Louis for a 60-bed psychiatric unit \$357,351, and for a 46-bed chronic unit \$180,000.

Nurses training school and residences at Springfield Baptist Hospital \$150,000 and at Burge Protestant Hospital in Springfield \$119,000.

Diagnostic and treatment center at Kirksville College of Osteopathy and Surgery \$32,500.

Rehabilitation facilities at David B. Lichtenstein Foundation in St. Louis \$125,000.

Rehabilitation facilities at Woodhaven Christian Home in Columbia \$110,000.

Good Shepherd Nursing Home in Concordia, 50 beds \$150,000.

Physician Convalescent Hospital in Poplar Bluff, 40 beds \$200,000.

Methodist Home for the Aged, Marionville, 30 beds \$48,000.

The Division of Health also allotted \$685,000 for helping hospital construction where rising building costs have caused trouble.

Teachers' Donations To The United Drive Were \$12.50 a Person

The teachers of the Sedalia public schools, numbering 171, have contributed a total of \$2,138.75, to the United Fund Drive.

T. J. Norris, superintendent of public schools in the city, did an excellent job of conducting the drive among the teachers," said Col. J. W. Donnell, campaign director, "and the response of the teachers was wonderful." Col. Donnell pointed out that this averages \$12.50 per teacher, and the teachers did the same thing last year.

The United Fund now totals \$50,000.

Baptist Plan Mobilization Mass Meeting

Plans for the Baptist "M" Night mass meeting for all churches in the Harmony Association, to be held at 7:30 p.m. Monday, have been completed.

The meeting, in which 23 churches and one mission will participate, will be held at the East Sedalia Baptist Church. The Rev. Ross W. Edwards, pastor of the Swope Park Baptist Church in Kansas City, will be the featured speaker. He will talk on, "Be Thou Faithful," the theme for 1961. Larry Owen of the First Baptist Church, will direct the music.

"This night, 'Mobilization Night,' is a special time for launching the Training Union program for the coming year," according to Rev. Roland Cooper, Training Union director.

More than 400 persons are expected to attend the meeting, Rev. Cooper said.

Holy Communion Held Sunday At Epworth Church

The Sacrament of the Holy Communion will be observed Sunday at the Epworth Methodist Church at the morning worship service. The minister, the Rev. H. E. Trevathan, will speak on "Those who hunger and thirst after righteousness." The organist, Mrs. Ralph Brewer, will play "Hymn of the Angels" for the prelude and "Meditation" as the offertory. Mrs. John Fair will sing "Communion Hymn" as the solo. The postlude will be "Postlude Triumphant."

Gary Dyer and David Hurt will be communion acolytes.

The minister will conduct worship services at the Buena Vista rest home at 2:30 p.m. Sunday.

The M.Y.F. will meet at the church at 7 p.m. Sunday.

The Sedalia Ministerial Alliance will meet Monday morning at 8.

The official board of the church will meet on Tuesday evening at 7:30.

The Loyal Class will meet for dinner and program at 6:30 p.m. Thursday.

The Rev. J. Y. Jackson of the Burns Chapel Free Will Baptist Church will be the speaker on morning devotions each morning next week, Monday through Friday at 8:45.

Sweet Springs PTA Holds Meet With Open House

"These are our Children" was the theme of the November PTA meeting of the R-7 Sweet Springs PTA. The meeting was held at 7:30 p.m. Monday at the High School.

Mrs. Bill Williams called the meeting to order. Mrs. Bill Smith gave the devotional using the theme of "Little Things Mean a Lot" and closed with a prayer. Stanley Small led the group singing.

Brown School gave a splendid musical program. Mrs. Beatrice Guthery, their teacher, accompanied them on the piano. They sang "Just got to Heaven," "The Little Shoemaker," and "I'm in His Care."

Mrs. Jerry Nichols reported on the PTA membership and asked each member to bring one new member to the next PTA meeting. Mrs. Irvin Augur, Jr. reported on the health program being carried on. Mrs. Joe Treece said magazines are still being sold and it is not too late to still subscribe. Mrs. Orville Hinck gave the Smorgasbord report urging all to help in any way they can and be sure to be there Dec. 10 to enjoy the Smorgasbord.

Mrs. Harvey Werneke, Mrs. Victor Crowder and Mrs. Bill Williams gave brief reports of the State PTA Convention in Kansas City that they attended recently. Mrs. Williams also gave the report of the County PTA Council that was held at the Elgin R-12 School, Nov. 15.

The Grade and High School and Brown School held open house following the meeting. Each teacher was in her or his room

Noise, Motion, Violence

All free world leaders bemoan the sterility and wastefulness of the huge arms establishments which draw heavily on substance otherwise available for more constructive uses.

That is one of the reasons responsible men must keep constantly searching out paths to disarmament, even as they continue to stockpile weapons.

It does not take much imagination to see what houses, hospitals, schools, roads, and other public facilities could be built with the materials that have gone into arms now lying stored around the world.

But if it is tragic that such wastefulness is necessary to our security in a troubled age, it is sadder still that smaller lands, struggling to rise amid the turmoil of this century, turn often to arms to express their aspirations.

If there were no other way to demonstrate that Fidel Castro's Cuban revolution had gone off the track, it could be seen from pictures showing thousands of misguided Cubans devotedly undertaking arms training.

These eloquent photographs carry us back to Hitler's era, when marching, gun-bearing and flag-waving were offered as substitutes for real solutions to Germany's problems. Castro,

like Hitler, has no answers, just noise and motion—in the military manner.

What a pitiful waste this is for a tiny island country that desperately needs all the solid economic and social help it can get from its own citizenry and its friends abroad. Just how will soldierly drilling raise the Cuban standard of living?

One could say some of the same things about the Congo, though there the circumstances obviously are greatly different. Lack of firm leadership made resort to military force virtually inevitable. But it is still unfortunate that so much of the news emanating from the Congo has to do with the firing of guns.

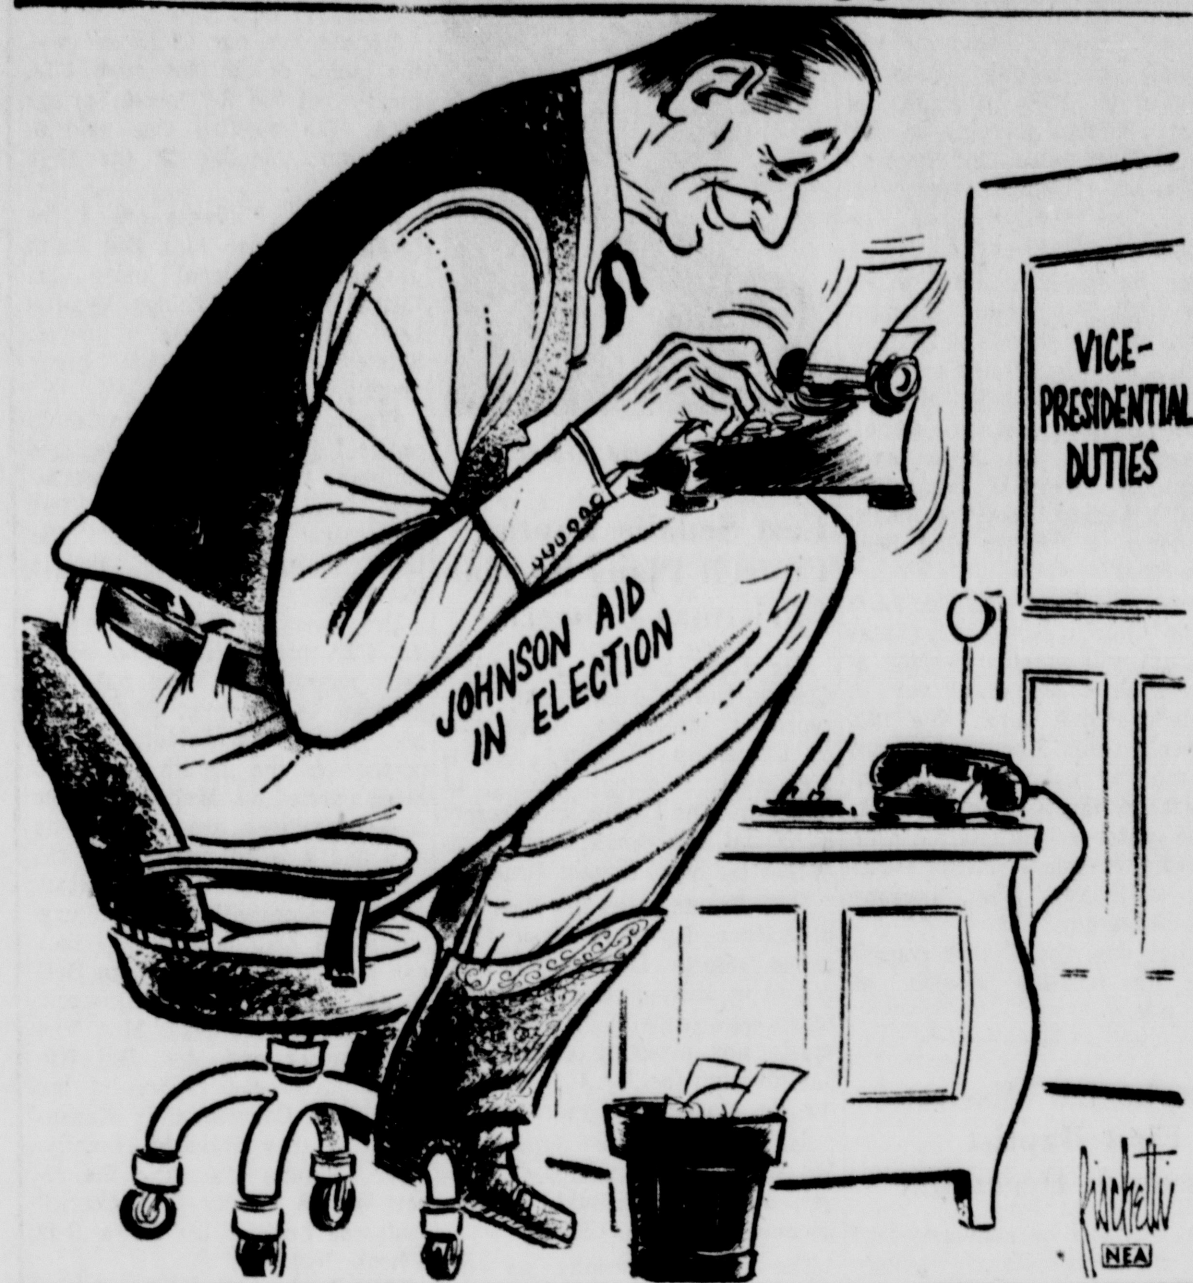

President Nasser of the United Arab Republic long has generated much the same sort of gun-waving response from impoverished but hopeful Arabs.

Sick societies and underdeveloped lands are not made well or put on the road to useful growth by guns and tanks and bombs. Parades do not banish hunger.

Those who feed the undernourished this synthetic diet must sooner or later be called to account by the people they thus abuse. For the good of these peoples, for the good of the free nations, let it be sooner.

Kennedy Focuses Attention on Africa

By WILLIAM L. RYAN
Associated Press News Analyst

President-elect John F. Kennedy focused national attention on the battle ahead in Africa.

His appointment of Michigan Gov. G. Mennen Williams as assistant secretary of state for Africa comes amid indications from the huge continent that the Congo situation has aroused fear and suspicion of Communist intentions. This is detectable even among leaders who consider themselves leftist and who are loud in their condemnation of the West.

If this is so, there is a chance that black Africa soon will simmer down, at least sufficiently to give its leaders a chance to assess cautiously what may lie ahead.

This by no means softens the warning by Sen. Kennedy that "the fate of Africa, which is now the object of a giant Communist offensive, will affect vitally the security of every citizen of the United States. There is no easy solution in store for black Africa's problems. It will remain the arena for a grim cold war struggle."

But it will be important for Americans if African leaders realize that there is more than one kind of outside domination. The Africans are familiar with the sort which came from Europe and which has just about been consigned forever to history. Africans have had no experience with modern Communist colonialism which surrenders none of the vast territories it has conquered.

The Congo remains a key to Africa's immediate future. There is little hope for stability while superimposed African leaders look upon Red interference in the Congo as an instrument to further their own ambitions.

Research Team Develops An ACTH Hormone

PITTSBURGH, Pa. (AP)—Dr. Klaus Hofman of the University of Pittsburgh and a team of six researchers have successfully developed an ACTH hormone.

The university said Thursday the development is the first successful synthesis of the cortisone-producing hormone. It is the largest protein-like molecule yet synthetically produced by man and has the full biological activity of natural ACTH.

Cortisone is used in the temporary remedial treatment of rheumatoid arthritis, rheumatic fever and other diseases.

Dr. Hofman and his assistants constructed the synthetic hormone by putting together 23 natural amino acids—the building blocks of all proteins. They worked on the project almost seven years.

ACTH is an abbreviation for the adrenocorticotrophic hormone.

The Doctor's Mailbag

Girls' Scholastic Ability Lowered in Life Cycle

By Harold Thomas Hyman, M.D. A disappointed mother asks if menstruation has any effect on a student's ability to pass an examination. Her daughter, she explains, took college entrance tests during the week of her period and failed to obtain grades that did justice to her scholastic ratings throughout the term.

If I'd been asked this question

a few months ago, I'd have answered in the negative. From the testimony given me by female medical students, nurses, professional dancers, singers and women athletes (including one Olympic champion swimmer and one holder of national titles in tennis), I had been led to believe that menstruation was a pretty feeble excuse for a bad performance in any field.

However, a carefully documented study, reported in the British Medical Journal, suggests that I might have been misled by my informants.

An analysis of 1,560 weekly marks of 217 boarding school girls, between the ages of 11 and 17 years, showed that one in each group of four girls earned lower grades just before and during the days of her period.

Immediately following menstruation these grades rose in almost every instance. And the observer, Dr. Katherine Dalton, concluded that menstruation is a scholastic handicap in about one quarter of those who take important examinations.

A highly indignant correspondent from North Carolina wants to know why so much fuss is made about a metabolism test. I assume that the inquiry refers to the Basal Metabolism test (B. M.).

Let me begin by explaining that the purpose of the test is to measure how much oxygen the subject uses up during a brief period of complete rest.

In a way, it's like measuring gas consumption in your automobile since we derive our energy from oxygen just as your car runs on a motor fuel.

Now you wouldn't expect a test of motor efficiency to give the same results under differing conditions. For example, there'd be much greater fuel consumption if the car were raced up a steep incline than there would be if the motor idled in neutral.

In the same way, your test of oxygen consumption can only be considered accurate if you've abstained from food and drugs for a period of 12 hours, had a good night's sleep, rested at least one-half hour before measurements were made and relaxed completely while the test was in progress.

I'll admit it does seem like a lot of preparation for what must seem to be a simple determination requiring only that the subject breathe in and breathe out. But there's no other way of getting a result on which you can rely.

Dear Reader: Dr. Hyman appreciates your comments and questions but regrets that the heavy volume of his mail doesn't permit him to answer each individual letter or post card. However, he will comment in columns like the above upon matters of general or unusual interest.

Sen. Jackson Challenges GOP Charges

WASHINGTON (AP)—Sen. Henry M. Jackson, Democratic national chairman, today challenged the Republicans to submit to a Senate investigation their charges of vote frauds in the presidential election.

Republican Chairman Thurston B. Morton announced Thursday the formation of a national recount and fair elections committee to check unofficially "on every suspicious state."

Jackson told reporters the Senate Privileges and Elections subcommittee, created to handle election contests, has received not a single Republican request to investigate the election in any state.

This, he said, showed "their aim is not to prove their allegations" that fraud figured in the apparent election of Democrat John F. Kennedy as president.

Kennedy holds a slim popular vote edge over Republican Vice President Richard M. Nixon but has an Electoral College margin of 300 to 223, with 14 unpledged Electoral College votes.

Jackson charged the GOP is raising the fraud charges in the hope of achieving "one of two things" and maybe both, which he listed as:

1. Through "dilatory court proceedings" to delay the certification of Electoral College votes from key states "so as to reduce the electoral vote for Kennedy below the constitutional majority" needed for election.

2. Cast a cloud on Kennedy's right to assume the presidency, with the hope of using this as campaign material in future years.

Morton said he himself will head the special Republican committee formed, he said, to expose to the public what he called "shocking irregularities and fraud in this election which constitute a national disgrace."

But he conceded under questioning that he has little hope of upsetting the Democratic victory.

Tomcat Loses Fight In Court, But Gains Fame

OAKLAND, Calif. (AP) — Herman the tomcat, loser in a first round court battle over his freedom, turns to show business today, billed as the Casanova of the Cat Kingdom.

Herman's rise to fame grew out of a \$3,500 suit charging in part that Herman was far too friendly with some neighboring female Siamese cats.

A preliminary injunction ordered Herman's owner, Russell Bowlers, to keep the cat on a leash when he is out of doors.

Tonight Herman will appear in a gold colored cage at a theater here. The theater said there would be a marble throne with a red carpet leading to it and spotlights to dramatize the scene, in the theater's lobby.

The arrangements were made by the manager — Herman Kersken.

Talented Interviewer Writes Book

NEW YORK (AP)—Mary Margaret McBride, who is credited with inventing the broadcast interview and who certainly turned electronic interviewing into a fine art, has written an anecdote-stuffed book about the great years of radio. It is called "Out of the Air," and it makes this listener long for the good old days.

Through more than 20 years, Mary Margaret introduced the most interesting people in the world to her huge daytime audience, presidents and kings, celebrities and nonentities, preachers and adventurers, but story-tellers and conversationalists all. Once, several years ago, Mary Margaret and I tried to figure out how many people she had interviewed on the air and we quit when we hit 20,000.

Men and women, urged on by her skillful questions and so lulled by her easy manner that they forgot the unobtrusive microphone, poured forth fascinating tales, even confessions: Madame Pandit remembered the first time she met Gandhi; Eleanor Wilson McAdoo recalled the death-bed statement of her father, Woodrow Wilson, that it was probably better that the United States had not joined the League of Nations; Jimmy Durante went softly at memories of his childhood; mystery writer Erle Stanley Gardner disclosed he chose the name Perry Mason because "I wanted something that meant strength and ruggedness: I thought of Mason because it had something to do with stone."

Radio is still with us, healthy according to all reports, but no longer the glamor girl of broadcasting. There are many talk sessions on television, but few of the interviewers have Mary Margaret's subtle skills, more's the pity, and nobody yet had found a way to make the story-tellers forget the cameras.

It's a fine, nostalgic one-woman history Mary Margaret has turned out, crammed with intimate glimpses and recollections of hundreds of well-known people.

'Family Classics' two part version of "The Three Musketeers" was a sharp disappointment—it seemed almost a burlesque of the beloved Dumas story. Although the swordplay was flashy, the characters seemed silly and unreal and there were so many plots it was hard to follow.

Ambitious NBC plans to handle "The Coming of Christ" in a half hour with a Project 20 special Dec. 21. It proposes to accomplish this feat, by telling the story in color photographs of art masterpieces.

Henry Van Dyke's 1895 classic, "The Other Wise Man" has been adapted for CBS' G. E. Theater by Dale and Katherine Eunson for showing Christmas day.

William A. Schien Elected President of Kiwanis Club

President of the Sedalia Kiwanis club for 1961 will be William A. Schien, currently vice-president, who was chosen at the club's annual election Thursday noon in Bothwell Hotel.

Also elected were: Vice-president, Dan Robinson; Treasurer, Charles L. Hanley; members of the board of directors: F. R. Fritz, C. R. Rose, George Ray, J. A. Garner and Sam E. Boyle.

Installation of these officers will occur at the meeting Dec. 29. The committee on election procedure was: Ed McLaughlin, chairman; William Hurley, William Ward, Myron Lindquist, George Ray and Victor Scott.

Dr. Louis Belinson, Deputy Director of the Division of Mental Diseases of the State of Missouri, was the principal speaker introduced by Dr. J. C. Alexander, program chairman for December.

Dr. Belinson who is a psychiatrist and one of the authors of the "10 Year Mental Health Program," for the State of Missouri gave an informative talk on mental health conditions in the state and the effort being made to make the public more conscious of

the need for expanded facilities and staff members to care for the increasing number of children and adults who should be cared for in the rehabilitation program. He commented specifically on the excellence of Sedalia's Crippled Children's Center activities in rehabilitating the physically and mentally handicapped.

Dr. Belinson suggested that citizens become better informed of the state's mental health problem and to support legislation designed to improve hospital and teaching facilities.

Dr. Alexander announced that the annual Kiwanis Christmas and ladies night party would be held at Flat Creek Inn at 6:30 Thursday night, December 22 at which time the menu will be smorgasbord. The Sedalia Men's Choral club will entertain.

R. C. Hemphill enlisted the support of a dozen club members to assist in the Salvation Army's annual Christmas kettle bell ringing in the downtown area.

Invocation was by the Rev. William Lusk. Singing was led by Abe Rosenthal with Miss Lillian Fox, accompanist. In song the members recognized the birthday anniversaries of: William Dugan, November 28; William Schien, November 30; Job Harned and Herb Taylor, December 4.

Introduced as a new member on transfer from Mexico, Mo., was Ralph E. Severs of the Royal Finance Co.; and from Moberly, Virgil Winge, manager of the Farm and Home Supply Co.

Guests were: Stanley H. Clow, new manager of the Southwestern Bell Telephone Co., with Norman Pitcairn, whom he succeeds; Dr. M. W. Rice, Warrensburg Kiwanian, with R. C. Hemphill; Dr. T. J. Hopkins, with Jack Crawford.

Major Leaguers Hope to End Feud

ST. LOUIS (AP)—Major league baseball's battle-weary brass, after a no-decision session in Louisville, arrived today hoping to establish harmony out of the chaos caused by their constantly changing expansion plan.

The trustees of the game, mindful of the public's growing suspicion and distrust, were determined to put an end to their feuding and agree on sound expansion programs for both major leagues.

President Joe Cronin of the American and Warren Giles of the National League are prepared to introduce at the three-day sessions starting Monday several amendments designed to clear the way for AL expansion to 10 teams next year and the NL to 10 teams in 1962.

The amendments are aimed at modifying Rule 1 which stands in the way of the AL moving into Los Angeles, and the NL returning to New York. Rule 1 reads that unanimous approval of all major league clubs is required when a league wishes to open shop in a city occupied by another league.

Walter O'Malley, head of the Los Angeles Dodgers, thus blocked the AL's invasion of his territory. Commissioner Ford Frick, in whose offices the amendments were drafted after nine hours of conferences, hopes at least one will be acceptable to both leagues.

Nature of the amendments is known only to Frick, the two league presidents and their attorneys.

The National League looks with disfavor upon the AL proposal for two nine-team leagues in 1961 playing an interlocking schedule. The NL is expected to reject this plan Monday.

Also, if the AL decides to operate 10 clubs next year, the last city will be Los Angeles, not Houston or Toronto. A week-long rumor that the AL was secretly planning to move into Houston, where the NL has placed a franchise for 1962, was scotched Thursday by Frank Lane.

The general manager of the Cleveland Indians said he talked with virtually every AL club owner and not one expressed an interest in going to Houston.

Also to be tackled here is the indemnity battle between the American Association and the old Washington club over the Senators' invasion of the Minneapolis-St. Paul territories.

Big Eight Teams Take Three Games

By THE ASSOCIATED PRESS

Big Eight basketball teams opened their new campaign with three victories in as many games Thursday night.

The Oklahoma Sooners, chosen for a darkhorse role in the championship race, defeated Texas Western 70-58 as veteran Brian Etheridge scored 16 points and sophomore Eddie Evans pitched in 13.

Veteran sharpshooter Joe Scott hit for 26 points in helping the Missouri Tigers to a 77-60 victory over Washington University in St. Louis.

The Nebraska Cornhuskers, with Jim Kowalski scoring 22 points and three of his teammates hitting in double figures, whipped the Iowa Teachers 78-68 at Lincoln.

The Colorado Buffaloes and the Oklahoma State Cowboys open their schedules tonight. Colorado will be at Arizona. Oklahoma State entertains UCLA in Stillwater.

All of the teams except Iowa State will play Saturday night.

Kansas, chosen as championship favorite, will meet Northwestern of the Big Ten at Lawrence. Kansas State, which tied Kansas for the league title last year, will open with Texas A&M of the Southwest Conference in Manhattan.

Other Saturday night games will have Minnesota at Oklahoma, Texas Western at Oklahoma State, Arkansas at Missouri, Colorado at Arizona and Wichita at Nebraska.

Record Crowd Turns Out To See Tigers Play

COLUMBIA (AP)—The University of Missouri football team played before a record-breaking crowd of 322,500 persons in 10 games this season.

Coach Dan Devine's Tigers, who had a 9-1 season record and will play Navy in the Orange Bowl, drew 166,000 for five home games. They had record crowds of 32,000 for Iowa State, 37,500 for Colorado and 43,500 for Kansas.

Southern Methodist and Oklahoma State each drew 26,500 at Columbia.

On the road the Tigers attracted 56,000 at Oklahoma, 35,500 at Penn State, 25,000 at Denver for their game with the Air Force, 30,000 at Nebraska and 10,000 at Kansas State.

AP's All America Team

By TED SMITH Associated Press Sports Writer

NEW YORK (AP)—A mammoth line and a backfield built around Navy's Joe Bellino, the Heisman Award winner, highlight the 1960 All America announced today by The Associated Press.

With Bellino in the backfield are Jake Gibbs, Mississippi; Pervis Atkins, New Mexico State; and Bob Ferguson, Ohio State.

The line is composed of Dan LaRose, Missouri, 221 pounds, and Mike Ditka, Pitt. 218, ends; Ken Rice, Auburn, 250, and Bob Lilly, Texas Christian, 248, tackles; Tom Brown, Minnesota, 224, and Ben Balme, Yale, 215, guards; and Roy McKasson, Washington, 205, center.

The team was selected on the graded recommendations of eight regional boards of sports writers and newsmen who also voted on the top ten throughout the season. All games through Nov. 26 were taken into account.

Bellino was a standout in a season in which, generally, attention centered on the line rather than the backfield. He scored 110 points for Navy's Orange Bowl-bound team, including 18 touchdowns, and gained 834 yards rushing, 280 yards catching 17 passes, and threw five passes for 112 yards.

The 5-9, 181-pound halfback wound up his academy career in a blaze of glory by intercepting a pass on the goal line in the closing moments of the Army-Navy game, saving Navy's 17-12 lead.

Atkins, 25, a wingback, carried the ball 65 times for 611 yards in New Mexico State's unbeaten season. He caught 24 passes for 468 yards. He stands 6-1 and weighs 190 and was drafted before his senior year by the Los Angeles Rams.

Ferguson, the only junior on the team, is a 217-pounder who was moved from halfback to fullback and crashed through for Ohio State with 13 touchdowns and 853 yards rushing.

Gibbs, who weighs 185, completed 66 of 109 passes for 970 yards and 12 touchdowns, and wound up the regular season by connecting on 13 of 15 passes against Mississippi State. He also was rated the most dangerous runner on an unbeaten but once tied team, and is a good punter as well.

Not far behind the first team backfield comes a second team combination of Francis Tarkenton, Georgia; Bill Kilmer, UCLA; Ron Bull, Baylor; and Ernie Davis, Syracuse.

End Ditka, who caught 11 passes for 229 yards and two touchdowns, was most feared for his hard tackling and blocking. Buddy Parker of the Pittsburgh Steelers called him "the best college player in the country." La Rose, at the other end, caught 10 passes for 151 yards and two touchdowns, and recovered six fumbles.

Lilly, the big TCU tackle, was termed by coach Abe Martin "the greatest lineman I ever coached." He hit his peak against Texas, making 17 tackles, recovering two fumbles, blocking a punt, and causing a pass interception. Rice, the other giant tackle, like Lilly, was a bear on recovering fumbles. Coach Ralph Jordan called

him a "noiseless football player—you don't realize how much he is accomplishing."

Balme, the first Yale All America in a quarter century, was the key to the Eli's perfect season. Big and bruising, he was mechanically perfect on every play. He paired at guard with Tom Brown of Minnesota, possibly the best lineman in the nation. In the climactic game in which Minnesota beat Iowa, Brown blocked on plays that accounted for more than half Minnesota's gains, as well as effectively smearing Iowa's attack.

McKasson, at center, called defensive signals for Washington and in the words of Coach Jim Owens was "a real gentleman... a real leader. He was a tremendous stabilizing influence on the youngsters."

Merlin Olsen, Utah State tackle; Joe Romig, Colorado guard; F.J. Houb, Texas Tech center; Dwight Bumgarner, Duke tackle; Al Vandebush, Army guard; and Wayne Harris, Arkansas center, were other linemen whose work was outstanding.

Good Seasons Forecast For Two Cagers

PHILADELPHIA (AP)—Wilt Chamberlain and Elgin Baylor, the top two scorers in the National Basketball Association, are headed for their best seasons yet if they continue their current pace.

Chamberlain took over the scoring lead Thursday night from Baylor by collecting 41 points in helping the Philadelphia Warriors to a 117-114 victory over Los Angeles. Baylor, back in action after missing a game because of an illness, dumped in 28 points for the Lakers.

The 7-2 Chamberlain's 41 points ran his season's total to 798 in 21 games for a 38-point average. His average thus far is higher than last year's final tabulation, 37.6, when he racked up an NBA-record 2,707 points in 72 games in his rookie year.

Baylor has 786 points in 22 games for a 35.7 average. This is far better than his 29.6 of last year when he scored 2,074 points in 70 games and 24.9 of his rookie season in 1958-59 when he collected 1,742 in 70 games.

By winning Thursday night, the second-place Warriors gained a full game on Eastern Division leader Boston, which had its nine-game winning streak snapped by New York, 116-111.

MIAA Teams Take Four First Games

By THE ASSOCIATED PRESS

The MIAA opened its basketball schedule in impressive fashion Thursday night with four victories in a six-game slate.

The defending champion Kirksville Bulldogs defeated Iowa Wesleyan 53-45 on a balanced attack led by Larry Swift, who had 15 points.

The Cape Girardeau Indians plastered Wayland (Texas) College 81-54 with Ron Gray scoring 21 points and three other players scoring in double figures.

The Warrensburg Mules won as they pleased, 80-56, over the Ottumwa University Braves. Mule freshman Bud Vallino a 6-4 shooter from Edwardsville, Ill., hit for 22 points.

The Rolla Miners beat Southern Illinois University's Alton Branch 75-58 in a game played in East St. Louis, Ill. Jim Lemon of Rolla was the top scorer with 16 points.

MIAA teams charged with losses were Maryville State, beaten 44-40 by Washburn in a well played game, and the Springfield State Bears, who were nipped 78-77 by Central Oklahoma State.

Warsaw Wildcats Win 9th Straight Victory Thursday

The Warsaw Wildcats romped into the finals of their own Invitational Basketball Tournament Thursday night with a 66-50 decision over the Wildcats from Hughesville. The victory was the ninth of the season without a loss for the streaking Benton Countians.

Warsaw's opposition for the championship clash at 9 o'clock Saturday night will be the rugged Houstonia Shamrocks, from the La-Saline Conference, who made the finals with a 61-58 victory over Cole Camp's Blue Birds Thursday night.

In the other tournament games Thursday, the Hubbard Tigers of Sedalia battered the Sweet Springs Greyhounds, 78-38, in the consolation bracket, and Cole Camp smashed Green Ridge, 33-9, in the volleyball semifinals.

Tonight's schedule pits Green Ridge against Smithton at 6:30 for third place in the volleyball division; Hubbard against Green Ridge at 7:45 in a consolation basketball game and Hughesville against Cole Camp at 9 o'clock for third place in basketball.

Saturday night, Lincoln will play the winner of the Hubbard-Green Ridge game for consolation honors at 6:30; Cole Camp and Hughesville will meet at 7:45 for the volleyball championship; and Warsaw and Houstonia will play for the basketball title at 9.

Eddie Scott and Ron Jenkins carried the scoring load for Warsaw with 25 and 19 points, respectively, in whipping Hughesville. Warsaw managed a 27-24 halftime lead before steadily pulling away throughout the second half.

Martin led Hughesville's scoring with 18 points.

Otho Carver and Archie Shireman were Houstonia's big guns scoring 21 and 20 points, respectively, as the Shamrocks shot into the finals. Houstonia had to battle all the way, though, as the Shamrocks trailed by three points at halftime, 32-29, and by one point at the three-quarter mark, 43-42. They pulled it out in the fourth quarter by scoring 18 points while holding the Blue Birds to 14.

Harms and Lange were Cole Camp's leading scorers with 21 and 17 points.

R. Johnson and Enos Johnson combined their talents for 56 points in Hubbard's 78-38 sweep past Sweet Springs. R. Johnson

had 30 points and Enos canned 26. The Sedalians took a 15-6 lead in the first quarter and were never threatened.

Schelp was Sweet Springs' leading scorer with 12 points.

Individual scorers were: Hubbard: Whitney 12, R. Johnson 30, M. Sims 4, E. Johnson 26, L. Cole 6; Sweet Springs: Schelp 12, Keene 5, Yount 2, Kock 8, Wade 9, Jenkins 2.

Houstonia: 14 15 14 18—61 Cole Camp: 13 19 12 14—58 Houstonia: Shireman 20, Gregory 12, Carver 21, Reid 3, Wood 2, Siver 3; Cole Camp: Brockman 6, Harms 21, Schnakenberg 2, Lange 17, Brauer 9, Haase 3.

Warsaw: 13 14 17 22—66 Hughesville: 9 15 12 14—50 Camp: Eddie Scott 25, Ronald Jenkins 19, Harley Bowers 9, James Husong 9, Robert Kinkead 4; Hughesville: Silsby 2, Thompson 10, Stephens 3, Martin 18, Hieronymus 11, Schroeder 6.

Eagles Have Sights On Eastern Title

ST. LOUIS (AP) —The Philadelphia Eagles hope to move into the Eastern Conference football throne room Sunday — just as they did 11 years ago — with a "Van" carrying much of the load.

Steven Van Buren, one of the greatest ball carriers in National Football League history, spurred the Eagles to the conference and league championships back in 1949.

This season the Eagles' fortunes ride on the accurate throwing arm of Norm Van Brocklin, the resourceful Dutchman.

In between the two "Vans," with a few exceptions in the middle '50s, Eagle fans had little to cheer about. Philadelphia started to make headway with the advent of Van Brocklin, just as it had in the 40s with the arrival of Van Buren as a full-fledged star.

The Eagles, under Greasy Neale, posted a 12-1 record in 1949. They beat the Rams 14-0 at Los Angeles for the world championship as Van Buren piled up 196 yards in mud and rain.

Is Nearing A New Record

GREEN BAY, Wis. (AP)—A former Notre Dame great who reached post stardom while entertaining thoughts of quitting last year is on the verge of shattering an old National Football League scoring record.

Paul Hornung, Green Bay Packers' "Golden Boy," needs just 10 more points to set an individual scoring mark. He gets his next crack at the record against the Bears in Chicago Sunday and then will have chances in two more games.

Hornung, NFL scoring king with 94 points in 1959, has piled up 129 in nine games this year on 11 touchdowns, 30 straight extra point conversions and 11 successful boos in 21 field goal attempts. His tremendous output this season has moved him to within nine points of the NFL record of 138 set by Green Bay's all-time pass receiving great, Don Hutson, in 1942.

A quarterback at Notre Dame, Hornung won the Heisman Trophy as the nation's top collegiate football player in his senior year in 1956 and became the Packers' bonus choice in the NFL draft.

At Green Bay, he was unhappy in his first two years as the Packers were unable to get untracked under the coaching regimes of Lisle Blackbourn and then Ray McLean. Hornung was shifted around in the backfield and performed capably.

When Vince Lombardi took over as coach last year, he immediately made Hornung a permanent halfback.

"If things hadn't gone well last year I would have quit," Hornung said recently. "The situation was pretty hopeless up here before Vince Lombardi came and I was fed up."

College Basketball Season Opens With Some Upsets

By JOHN CHANDLER Associated Press Sports Writer

The college basketball season opened with an astonishing upset Thursday night. Utah, regarded as one of the top teams in the country, took it on the chin from Los Angeles Loyola 85-64 after blowing an early 25-12 lead.

Ohio State, the NCAA champion, and Bradley, the National Invitational Tourney winner, got off on the right foot, however, as did Cincinnati and Kentucky.

Heavily favored Bradley, which beat Providence in the NIT final in New York last March, went right down to the wire before knocking off Minnesota 62-58.

All America Jerry Lucas pumped in 29 points to lead Ohio State to an 85-64 victory over Ohio University. Ohio State won the NCAA tournament over California last March.

Cincinnati, minus the graduated All America Oscar Robertson, smothered Indiana State 90-51 as the new Bearcats' coach, Ed Jucker, got his club away to a fast start.

Lucas dropped in five baskets as Ohio State took a quick lead against Ohio University, and at halftime it was all over as the

Buckeyes held a 40-26 advantage. Paul Hogue, a 6-9 beanpole, scored 17 of his 23 points in the first period for Cincinnati, and the Bearcats wound up with a 44-20 lead at the half.

Bradley blew an 18-point lead, but managed to pull it off in the final 65 seconds. Mack Herndon sank a 20-foot jump shot to put Bradley ahead 60-58. Herndon and 6-6 Chuck Walker then converted two free throws to make it certain.

Ed Bonto led Loyola to its upset over Utah and 6-9 Billy (The Hill) McGill. Bonto was top scorer with 30 points, McGill got 26 for the Utes.

St. Bonaventure, showing all of its power of last season, bumped off John Carroll 109-45. Miami of Florida trampled Rollins 80-62 and Auburn, one of the top teams in the Southeastern Conference, poured it on Livingston State 90-50.

Kirkville to Play Tucson Bowl Game

KIRKVILLE, Mo. (AP)—Dale Mills, Kirkville State's great little America football star, Thursday night accepted an invitation to play in the All-American bowl at Tucson, Ariz., Dec. 26.

The game matches all-star players from the small schools against stars from major schools. Mills set numerous records playing halfback for the Kirkville Bulldogs the past four seasons.

Fans Excited Over Fight

LOS ANGELES (AP)—Pregift speculation and excitement prevailed today except among the principals — Gene Fullmer, NBA world middleweight champion, and ex-champion Sugar Ray Robinson.

They clash for the third time Saturday night for 15 rounds or less, with a national television audience watching via the ABC network. Fight time is 7 p. m. PST at the Sports Arena.

Fullmer, the serious, 29-year-old from West Jordan, Utah, remains a 3-1 betting favorite over the Harlem dancing dandy, 39-year-old Sugar Ray.

Two Cage Teams Into the Finals In MI Tourney

By THE ASSOCIATED PRESS

The Bethany Swedes and McPherson's Bulldogs Thursday night won their way into the finals of the Moundridge Invitational Basketball Tournament.

Bethany, the defending champion, ran up a 43-29 halftime lead then held off Bethel for a 70-67 victory. Veteran Merlin Larson led Bethany with 21 points while Frank Gaedert scored 16 for Bethel.

McPherson had an easier time of things with Tabor, winning 71-62 with a strong second half. Eugene Friesen of Tabor led the scorers with 24 points. Deryl Elmore got 17 for McPherson.

Bethany and McPherson meet in the championship game Saturday night. Tabor and Bethel meet for third and fourth places.

Bible Land Student To Address Club

Catherine McKinney Butler of Oklahoma City, who has recently returned from a month-long investigation trip to the Bible lands, will address members of the Knife and Fork Club at their next meeting Saturday at 7 p.m. at the Bothwell Hotel.

Mrs. Butler would be the first to insist that her vocation is that of housewife, at which she has been most successful, and that traveling and speaking are merely pleasant avocations. Her husband is a successful attorney in the Oklahoma state capital, and Mrs. Butler has headed a number of civic drives.

High on the list of Mrs. Butler's personal diversions, is that of historian and student of the Bible Lands which at present and for some very tense years, have been the hottest spot in the world, inasmuch as they make up a goodly portion of the controversial Middle East.

It is on the subject of the Bible Lands, which means the Middle East, that Mrs. Butler will speak to the Knife and Fork Club. Unlike many people who believe the big problem in the Middle East is oil, Mrs. Butler contends it is religion.

Jury Indicts Students On A Bombing Charge

AUSTIN, Tex. (AP)—A Travis County grand jury Thursday indicted two University of Texas students in a bombing that disrupted a student integration meeting.

William Harvey McKnight, 20, Kerrville, Tex., and John Hunter Winborn, 19, Dallas, were charged with "injury to property belonging to another." The charge is a felony.

A meeting of 20 students, including eight Negroes, was started Tuesday night when the bomb struck a window at the university YMCA and fell into a basement stairwell.

No one was injured, although police said the bomb could have killed several if it had gone through the window.

Former Science Aide Questions Space Spending

PASADENA, Calif. (AP)—President Eisenhower's former scientific adviser questions the value of spending billions of dollars a year to put a man in space.

Dr. James R. Killian, chairman of the Corporation of the Massachusetts Institute of Technology, said Thursday Americans must ask themselves: "Will several billion dollars a year additional for enhancing the quality of education not do more for the future of the United States and its position in the world than several billion dollars a year additional for man in space?"

Children Burn While Mother Is Next Door

NASHVILLE, Tenn. (AP)—Three children were burned to death Thursday night while their mother was next door making a telephone call. Firemen said the blaze apparently started from a wood stove. The dead were Patricia Weston, 3; her brother Charles, 2; and sister Melody, 8 months.

Denied Passage Through to Cuba

NEW YORK (AP)—Cedric Belfrage, British-born writer deported from this country in 1955 on charges of pro-Communist activities, was denied permission Thursday to pass through the United States on the way to Cuba. The former Hollywood writer and editor of the National Guardian boarded a plane shortly afterward to fly back to England.

Crow's Ownership Decided in Court

ARTESIA, N.M. (AP)—Blackie is doing the crowing today.

That's because Justice of the Peace Elmer Perry ruled that a pet crow is Blackie and not Aloysius.

The court action to determine the ownership of the crow was started by Mrs. Paul Mathew, who claimed that the crow was Blackie and belonged to her family.

Mrs. H. S. Guinan counter-charged that the crow was Aloysius, her family's pet.

Some 20 witnesses appeared in the case, but their testimony was inconclusive.

The crow added little help by answering to both names.

Feminine Problems Her Topic

By JOY MILLER
AP Women's Editor

NEW YORK (AP)—Maxine Davis writes books on women's problems in the tower of an 18th century house on a hilltop in the middle of a 30-acre Maryland estate.

On a clear day she can see the Blue Ridge Mountains and Harpers Ferry Gap, but not her old home in Washington 55 miles away.

And although she feels an understandable solicitude for the three-story brick house at 3307 N St. NW that she and her husband redid from scratch 18 years ago, she knows it's in good hands. The next president of the United States lives there.

"Mrs. John Kennedy had wanted the house for a long time," Miss Davis explains, "and late in 1967, when she was in the hospital having Caroline, the senator bought it for her."

"I think she first saw it when our two boys were doing the debutante circuit and she was out to the house. After she married she came out a number of times."

Miss Davis bought the Georgetown house in its original state, as innocent of plumbing, heating and wiring as when it was built in 1795. She made many interior alterations, and was flattered to note, when Mrs. Kennedy showed her through recently, that she had made no structural changes.

"The furniture was different, of course. I had a mixture of everything—French, English, the latter, more sophisticated, American. Jackie has lots of French. I could live happily with her furniture. She's very feminine and wifely, and has excellent taste."

"She was wondering what to do about the nursery for the new baby. There are just two rooms for the nurse and children, and she was debating a partition. Of course, that was right before the election. There's no problem since they're moving into the White House. I understand they've sold the house."

Miss Dee, Darin Honeymooning In Seclusion

HOLLYWOOD, Calif. (AP)—Singer Bobby Darin and Sandra Dee, who have a flock of teen-age fans, were honeymooning in seclusion today.

Darin, 24, and the 18-year-old actress spent most of their wedding day Thursday in airports and aboard planes from New York City.

They were married in a hurry-up affair after midnight at the New York apartment of music publisher Donald Kirshner. Sandra put adhesive tape around her finger to make a borrowed wedding band fit.

They met last September in Italy while making "Come September," a movie also starring Rock Hudson and Gina Lollobrigida.

PEOPLE ARE LOOKING AT NEW COMPACTS... AND BUYING NEW VALIANTS!

Come on. Compare like mad. What other compact at Valiant's low, low price offers: Unibody construction that virtually eliminates rust and rattles; Torsion-Aire Ride (at no extra cost) that carpets rough-

est roads from curb to curb; inclined nickel-nursing engine that delivers the kind of get-up-and-go that Valiant's does? See for yourself why so many shrewd compact car shoppers are now Valiant owners.

Chrysler Corporation's lowest-priced compact...Valiant!
